

BT Vision

All the entertainment you want, without the stuff you don't.

Digital TV on demand

BT Vision is the best way to watch more of what you want, when you want. Get all the Freeview channels you love, pause, record and rewind live TV, catch up on TV you may have missed plus watch all the films, TV shows and sport you want on demand. You'll never be stuck for something to watch.

The BT Vision+ box gives you three great ways to watch more of what you love:

1. Pause, rewind and record all your favourite terrestrial and Freeview TV shows
2. Catch up on the best of last week's TV – it's like having iPlayer on your TV
3. Choose from thousands of extra shows and films to watch when you want, and add channels like Sky Sports 1 and Sky Sports 2

What's on Vision?

Freeview	50 free television channels and 20 radio channels.
TV Replay	Missed a show? Catch-up on the best shows from the BBC, ITV and Channel 4 from the last 7 days.
Film Club	Great value movies subscription pack with 75+ much-loved favourites to watch every month.
TV	The best US and UK TV shows, from drama, comedy and reality shows to documentaries and more.
Sports	Top-quality live action on Sky Sports 1 and Sky Sports 2 plus ESPN and a huge archive of classic and live sport on demand with Vision Sport.
Kids	Favourite shows from popular channels, including Nickelodeon, Cartoon Network and Disney XD.
Music	Top 20 music videos, the best of the 70s, 80s, 90s, plus live concerts, documentaries and karaoke too.
Vision Box Office	Over 600 movies, from new blockbusters and Oscar® winners to classics and family favourites, Pay per view for 24 hour rental.

from
£18
a month

For existing BT Total Broadband customers adding BT Vision

To get BT Vision digital TV you need to have BT Broadband with minimum line speed, Freeview coverage with suitable aerial, Mac adapter, Vision+ box and BT Home Hub (included if you are a new or recontracting BT Total Broadband customer. Excludes customers BT has already provided with this Hub. £5 p&p charge applies for new customers only. New BT Home Hub available from the BT Shop at £91.90). £30 activation charge applies for new to BT Vision customers. Separate charges apply for on-demand content outside a viewing pack and payment by Direct Debit and opt-in required. Conditions apply. Subject to availability, exclusions and conditions.

BT Vision Value Packs

Free Vision+ box for new BT Vision customers only (existing BT Vision customers that re-contract to a Vision Value Pack are not eligible). Vision+ box normally costs £45 unless service ceased in first year, otherwise £199. Value Pack costs £12.50 a month for 12 months (requires BT Total Broadband or BT Infinity with a fast-enough line, Freeview coverage, Hub, an adapter for Mac – fees apply for additional on-demand content). 12 month minimum term. BT Home Hub included if you are a new or re-contracting BT Total Broadband / BT Infinity customer

(excludes customers BT has already provided with this Hub). New customers pay a £5 p&p charge. Subject to availability. Terms, exclusions and conditions apply.

BT Vision+ Box only

All Vision+ box only orders have a 12 month minimum term. £90 one-off Vision+ box available to new BT Vision customers only, including new or existing BT Total Broadband customers re-contracting for 12 months (provided you don't cease your BT Vision service within 12 months; otherwise charges up to £199 apply). Conditions apply.

Sky Sports 1 and/or Sky Sports 2

£10 one-off viewing card required. One month minimum term applies.

ESPN included at no extra cost for BT Vision customers taking a new 12 month contract on a Value Pack or a 24 month contract on an eligible TV, Broadband and Calls package. Also available to customers with an existing 12 month subscription on any Value Pack. Payment by Direct Debit, viewing card and opt-in required. £10 one-off viewing card required.
