

Compare BT's Business Broadband packages

Feature	Details	Essentials	Halo for Business
Minimum Speed Guarantee	BT's speed guarantee means if your broadband drops below the minimum download speed and we can't fix it, you could simply walk away.	✓	✓
BT Business Smart Hub 2 	Power up your wi-fi with the BT Business Smart Hub 2. Included in all business broadband deals for new customers, it's BT's most powerful hub ever giving you BT's fastest and guaranteed wi-fi coverage in more of your workplace than ever before.	✓	✓
Guest Wi-Fi	Keep them coming back. Free Guest Wi-Fi on your hub turns your workplace into a wi-fi hotspot. It's password-free so customers can browse while they shop, and clients can work when they visit. Speeds and security aren't affected.	✓	✓
5 million UK Wi-Fi Hotspots	With over 5 million hotspots, we've got the biggest wi-fi network in the country. As a broadband customer, BT Wi-Fi is yours to enjoy, wherever your work takes you.	✓	✓
Hybrid Connect  <small>Requires 3 bars</small>	At the first sign of a problem, BT's Hybrid Backup automatically switches your connection to the EE 4G network, keeping your business running smoothly while we fix it. It also comes with BT's Always Connected Guarantee, just in case. You'll stay connected, or we'll give you money back.		✓
Next day connection	Hybrid Backup is delivered the day after you order it - so your business is up and running over 4G in no time.		✓
Enhanced IT Support	You don't need to be an IT expert, because BT's UK-based support team works around the clock. They're available 24/7 and can help you with everything from setting up printers to removing nasty viruses.		✓
1 free Expert Setup 	One of BT's experts can visit you at work to help you get the best out of your kit from the start, including setting up any extras like Complete Wi-Fi.		✓
1 free static IP	If you run a server, a website or FTP hosting, a static IP address is vital. One static IP address is included in the price for the BT Halo for business packages.	+ £5 option	✓
Fixed Price Guarantee	All at a price that sticks, your price will stay the same for the whole of your contract.		✓
BT Sport App 	You'll be able to use the BT Sport App on iOS and Android smartphones or tablets, for personal, non-commercial UK use.	✓	✓
Complete Wi-Fi 	Wi-Fi with zero blackspots. A smart system that uses an extra disc to give you guaranteed signal across your whole place of work. And if your coverage isn't perfect, we'll keep helping until it is.	+ £10	+ £7
Secure Business Backup	Store your data safely and protect your business, with Secure Business Backup by Acronis.	+ £4.99 as an add-on	+ £4.99 as an add-on
Digital Phone Line 	Includes choice of Cisco Wi-Fi deskphone or the Yealink W53P cordless handset. Make/receive calls on mobile app, keep the same phone number for life, use call filter to block nuisance calls. Go PAYG or add a call package.	✓	✓
